

e-Statements for You

E-Statements have come to SASCU. Starting September 20, you can choose to look at your statements online and do away with receiving paper statements in the mail. Visit *MemberDirect*[®] online banking today and choose e-Statements only. By doing this before June 30, 2012, your name will automatically be entered in our **Go “e” and win me** contest to receive one of two free Apple[®] iPads. We will also donate \$1 on behalf of every member who chooses e-Statements to the SASCU Community Endowment Fund in support of environmental projects in the Shuswap. For details about e-Statements and our contest, talk with any of us in-branch and visit sascu.com. Choosing e-Statements – it’s the way to go.

Banking in Your Hands

We’ve noticed the growing trend toward mobile phone use; now add online banking to the list.

Mobile Web is coming to SASCU. With Mobile Web, you can access your account history, pay bills and transfer funds from any mobile phone with a desk-top class screen (iPhones[®], Blackberries[®] and Androids[®]). Our usual *MemberDirect*[®] online banking interface is being customized for viewing on the smaller screen of your phone. It’s simple, fast and secure.

To access the site, visit sascu.com from your mobile phone, click on the onlineBANKING tab and when this new service is available, you will be directed to the new, secure Mobile Web online banking site. Give it a try. Questions? Visit us at sascu.com or stop in to any branch.
