

The background of the entire image is a dense, overlapping field of Canadian currency. It includes various denominations of banknotes, such as the \$100 red note, the \$50 pink note, the \$20 green note, and the \$10 purple note. Interspersed among the banknotes are numerous coins, including the \$1, \$2, and \$5 pieces. The overall effect is a rich, textured surface of money.

# {plenty to celebrate!}

Since 1997, Salmon Arm Savings and Credit Union has returned \$34.6 MILLION in rebates and bonus interest to its members based on the amount of business done with the credit union. For 2010, the rebates and bonus interest rates are:

## **10% Rebate**

on standard month-end service charges.

## **17% Bonus Interest**

on all deposit interest paid.

## **17% Interest Rebate**

on all loan, line of credit and mortgage interest paid.

In 2010, a member who held a \$150,000 mortgage at 5%, a \$40,000 investment at 2% and a package chequing account received approximately \$1,400. Last year, that same member would have received approximately \$850.
