

The Canada Tax Act requires that persons making donations to endowed funds indicate in writing that their gift be held for a period not less than 10 years, with only the interest being disbursed annually. To help the Shuswap Community Foundation comply with Canada Revenue Agency regulations, please complete and return this form with your donation.

I hereby direct that my gift to the Shuswap Community Foundation for the SASCU Community Endowment Fund be held for a period of not less than 10 years.

I understand the constitution of the Shuswap Community Foundation requires donations to their capital fund be held in perpetuity.

Thank you for thinking of your community.

10 reasons people choose to give through community foundations

We are a local organization with deep roots in the community.

Our board and advisors have broad expertise regarding community issues and needs.

We provide highly personalized service tailored to each individual's charitable and financial interests.

Our funds help people invest in the causes they care about most.

We accept a wide variety of assets, and can facilitate even the most complex forms of giving.

We partner with professional advisors to create highly effective approaches to charitable giving.

We offer maximum tax advantage for most gifts under federal law.

We multiply the impact of gift dollars by pooling them with other gifts and grants.

We build endowment funds that benefit the community forever and help create personal legacies.

We are a community leader, fostering collaboration on issues of broad interest to create positive change.

SASCU Community Endowment Fund

Investing in your community through the SASCU Community Endowment Fund

The SASCU Community Endowment Fund was established by Salmon Arm Savings and Credit Union as another way for SASCU members and the community to support the natural beauty of the Shuswap for future generations. Each year, the interest earned on this community fund will go toward supporting charitable organizations involved in projects that enhance our environment, forever.
