SASCU Takes Another Step to Keep Staff and Members Safe

SALMON ARM (September 8, 2020) – In SASCU Financial Group’s continued commitment to the safety and wellness of our staff and members, SASCU is requiring all visitors to wear masks as of September 14.

This matches expectations introduced at several other businesses recently and reflects the evolving recommendations from health authorities. Unless alone in an office, staff have been required to wear masks since September 8 to complement the other preventative measures introduced during COVID-19.

“We appreciate our members’ and clients’ support of their role in these safety measures,” said Barry Delaney, Chief Executive Officer of SASCU. “It is actions like this that will help control the infection numbers in the community, helping protect our staff, our members, our loved ones.”

Visitors who arrive without a mask at any SASCU location will be provided one as everyone gets used to the change. Staff may request those conducting business to briefly pull down their mask for identification purposes.

Alternative service options include drive-through or outdoor ATMs, banking apps, and online banking. Advisor appointments are also available by phone and video.
